How are they changing this – I want to make sure it is going through counsel because this impacts our decision making.

All:

Please see the attached draft. I made revisions to make it consistent with the recent response to the Tampa Bay Times. Also, I wanted your thoughts on what we say about consultation – should we add language that describes who/which entities we consulted with – i.e. state, tribes, other federal agencies?

Thanks,

Allison

I have attached a copy of final word document and the signed copy the Diaz-Balart/Hastings letter; each member receives an individual letter. HQ has just assigned the Rubio/Scott letter to the region through CMS; I'm sure the other one will be along shortly. Please forward me a copy of the letter from Rep Shalala so that I can enter it into CMS.

As a reminder any correspondence that you receive from a congressional member needs to be forwarded to our office so that we can enter the information into Cmf for controlling and tracking purposes.

Thanks all

~ Wanda

Thanks Tom.

+ Wanda to this email chain.

Wanda – can you see if OW will control the 404 Assumption letters to the region? Also, can you send Tom the Hastings and Diaz-Balart letters signed by Mary yesterday?

Thanks,  
Brandi

**Subject:** OW controls from Congressional and Senatorial representatives, and a similar letter to the Region from Rep. Shalala

Brandi,

Per our discussion, in addition to the letter EPA received from Rep. Hastings and Rep. Diaz-Balart, the EPA received 3 other letters from members of the U.S. House, U.S. Senate and the Florida Governor regarding Florida Assumption. Two of these letters are currently controlled to OW for a response (see email and attachments), and we recommend re-controlling those to the Region for a response, consistent with the approach used for responding to Rep. Hastings and Rep. Diaz-Balart. In addition, we received a letter from Rep. Shalala (attached) which is currently not controlled, but we plan on issuing a response for Mary's signature to be consistent.

Also, would you please share the final letters that were issued to Rep. Hastings and Rep. Diaz-Balart, so that we can be sure to use the same/similar language?

Thanks!

Tom

Hi,  
We received two controls from the Hill in support of FL assumption. Can someone (you all or the broader g team), prepare a response for Dave's signature? I would like to get John's review/okay for a template, and then we'll create copies for each member.

Due next week.

Thanks!
